

Dear Fellow Princetonians:

It is with excitement that we are announcing the relaunch of the A4P website as well as a new logo. Thanks to the Alumni Association and Andre Liu '91 and his company Pequod Communications for donating time, staff, and talents, we believe that we have a site which will be relevant, flexible, and serve. Let us know what you think. [www.a4princeton.org](http://www.a4princeton.org). Please note that the new website will be undergoing further development in the near future, as we will be adding both features and functionality.

On Alumni Day, Saturday, **February 25th**, please join us at the Madison Medal Reception. All alumni as well as friends of the Graduate School are welcome to attend a reception for Madison Medalist Lisa P. Jackson \*86 in the Friend Center Convocation Room from 5:00 to 6:30 p.m., sponsored by the Association of Princeton Graduate Alumni, the School of Engineering and Applied Science, and the Association of Black Princeton Alumni, joined by the Asian American Alumni Association of Princeton and the Association of Latino Princeton Alumni. To register, please go to: <https://events.princeton.edu/madisonmedal>. In addition to congratulating the Madison Medalist, this would be a wonderful opportunity to touch base with our engineering undergraduate and graduate alumni. We hope to see many of you there.

All alumni please join current students in the Asian-American Students Association (AASA) for an alumni/student social mixer and mentoring program information session on **February 25th**, at Campus Club, from 3:30pm - 4:45pm. For those attending the 3:00 pm alumni day memorial service in the Chapel, please visit us after the service. The A4P-AASA mentoring program is meant to give alumni a chance to share their expertise and experience with students looking for academic, career, or life advice. We hope that by establishing this link between our alumni and student organization, we will also strengthen Princeton's Asian American community. Please email Kevin Wong '05 at [a4pmentoring@gmail.com](mailto:a4pmentoring@gmail.com) if you are considering serving as a mentor or if you have any questions about the program.
